Debit Card

Note: If your employer is providing you with the isolved Benefit Services prepaid Benefit Card, please review the following information.

Since you've enrolled in the Flexible Spending Account you may be receiving two prepaid benefit cards at your home address for you and your family members to use. The cards will arrive in a special envelope that looks like this – so please don't throw it out!

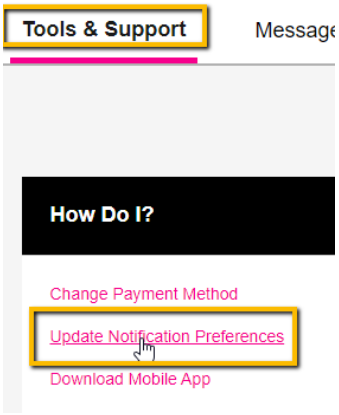

With the card, you don't have to pay cash up front, file claims and wait for reimbursement. Accessing your account is …

- Easy – a simple swipe of the card makes it hassle free!
- Automatic – funds are immediately transferred from your FSA at the time you incur the expenses.
- Convenient – there are no manual claim forms to submit.
- Simple to track – your current balance is available 24/7 at www.isolvedbenefitservices.com.

Note: The Benefit Card expires after five years. There is a $5.00 replacement fee if the card is destroyed prior to the expiration date, lost/stolen, additional cards requested or not received.

Debit Card Notification

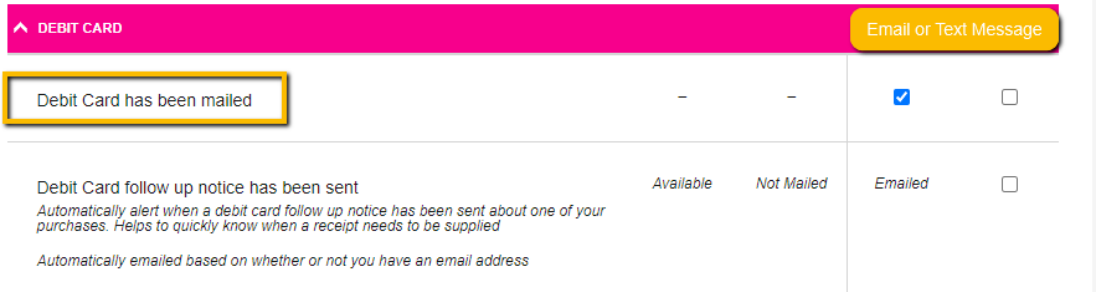

If you would like to know when your card is mailed, access the Participant Online Portal (see below for more information for first-time users logging into the site), select Tools & Support, Update Notification Preference.

Here you have the option of setting up how you will receive information regarding your account(s), including checking the box to receive alerts under Debit Card, when Debit Card has been mailed. You select to be notified via either Email or Text message.

You can select to "Go Paperless" with one click.

Additionally on this page, participants can also set up to receive an Email or text message for claim information including when it has been filed, processed or denied along with when payments have been issued out of your account.

Consumer Portal Quick Start Guide

How do I get my reimbursement faster?

The fastest way to get your money is to sign up online for direct deposit to your personal bank account. Before you begin, make sure that your employer is offering direct deposit setup online.

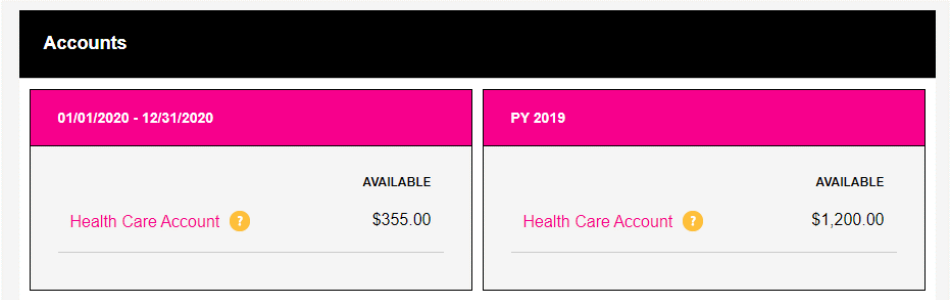

1. From the top menu tabs select the Accounts tab, click on Banking/Cards, then select Add Bank Account to add your banking information for Direct Deposit. *(Note: If you are not provided with a Debit Card, this link will just have "Banking" as the link name.)*
2. You will enter in your banking information. If you have already added your bank account and you need to change it or update your information, select the Update. This will provide you with the page to update your current banking information. Once you have made your changes, click Submit.
3. Once you have your banking information entered, you can select your Payment Method. Select Payment Method under the link where you added your banking information. You will then be able to select the preferred method for reimbursement, Direct Deposit – fastest option available (must complete the steps above first to set up your bank account), or Check – where a check will be mailed to your home and will take 3-5 days after your request for reimbursement.

4. The Payment Method Changed a confirmation displays.
5. If there is a bank validation requirement, you will be notified on the portal to look for a small transaction or "micro-deposit" in your designated bank account in the next couple of days to enter online, which will validate your account.

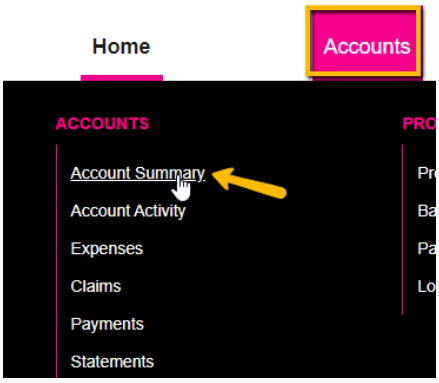

How do I view current account balance and activity?

1. For the current Account Balance only, you can view this on the Home Page, under Accounts. This shows the available amount next to the applicable account.
